WHAT WE DO

We help our students reach their artistic potential! The Theatre Boosters actively support the McNicholas theatre department and thespian troupe through fund-raising and staffing productions in the areas of ticket sales, ushering and concessions. In addition, the Theatre Boosters provide funding for transportation to regional and state competitions and assist with chaperoning the annual thespian conference. The Theatre Boosters also help fund needed equipment for the Theatre Department, such as lighting, sound, costumes and building materials for set construction.
