THAT YOUTH MAY ATTAIN FULL STATURE IN CHRIST

**Meningococcal Vaccine for  
Class of 2021**

The Ohio Department of Health has changed the requirements for meningococcal vaccinations. All students entering 7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup>, and 12<sup>th</sup> grades are required to be vaccinated against meningococcal disease. One (1) dose of meningococcal vaccine (Menactra) is required prior to entry into the 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> grades.

A second (2<sup>nd</sup>) dose of meningococcal vaccine is required **PRIOR TO ENTRY** into the 12<sup>th</sup> grade. The second (2<sup>nd</sup>) dose must be administered on or after the 16<sup>th</sup> birthday with at least 8 weeks between the first (1<sup>st</sup>) and second (2<sup>nd</sup>) dose. If the first dose of meningococcal vaccine was administered after the 16<sup>th</sup> birthday, a second (2<sup>nd</sup>) dose is not required. If a pupil is 15 years of age or younger, only one (1) dose is required.

This requirement will be enforced progressively.
