**Meningococcal Vaccine for
Class of 2020**

The Ohio Department of Health has changed the requirements for meningococcal vaccinations. With the start of the 2018-2019 school year, all students entering 7th, 8th, 9th, and 12th grades are required to be vaccinated against meningococcal disease. One (1) dose of meningococcal vaccine (Menactra) is required prior to entry into the 7th, 8th, and 9th grades.

A second (2nd) dose of meningococcal vaccine is required **PRIOR TO ENTRY** into the 12th grade. The second (2nd) dose must be administered on or after the 16th birthday with at least 8 weeks between the first (1st) and second (2nd) dose. If the first dose of meningococcal vaccine was administered after the 16th birthday, a second (2nd) dose is not required. If a pupil is 15 years of age or younger, only one (1) dose is required.

This requirement will be enforced progressively.
